Dear Mr. YUHAN SONG,

On behalf of the Organization and the Program Committees, it gives us great pleasure to invite you to participate in the IFAC World Congress 2023, which will be held at PACIFICO Yokohama, Japan, July 9-14, 2023.

With several thousand attendees from all over the world, the IFAC World Congress is the biggest and most important meeting of this kind and the Yokohama Congress marks the 22nd edition of this series.

Your contribution submitted to the IFAC World Congress 2023 has been accepted for presentation at the conference. As indicated in the notification letter sent to you about your paper's acceptance, at least one author of your paper is expected to attend the conference to present your paper. We hope that you will participate in this scientific meeting and help to make it a memorable event.

Acceptance of your paper for presentation does not, in any way, financially oblige either IFAC WC 2023 nor IFAC for the expenses incurred by you to travel and attend the conference. If you have any questions, please contact us.

Thank you in advance for your participation. We look forward to seeing you in Yokohama.

Sincerely,

Jun-ichi Imura, Hideaki Ishii, Yoshio Ebihara
General Chair and IPC Chair & Co-Chair of the IFAC World Congress 2023

Accepted Paper details:

YUHAN SONG, Armagan Elibol, Nak Chong, "Abdominal Multi-Organ Segmentation Based on Feature Pyramid Network and Spatial Recurrent Neural Network."
