Acceptance Letter

Dear Yuhan Song,

On behalf of the IEEE ICMA 2023 Conference Organizing Committee and Program Committee, it is our pleasure to confirm that your paper listed below has been accepted and you are invited to attend the conference for oral presentation at the 2023 IEEE ICMA International Conference on Mechatronics and Automation.

Paper ID: 334301

Paper Title: Two-Path Augmented Directional Context Aware Ultrasound Image Segmentation

Author(s): Yuhan Song, Armagan Elibol, and Nak Young Chong

The IEEE ICMA 2023 will be held in Harbin, Heilongjiang, China, from August 6 to August 9, 2023. The conference and its related events are open to all those with an interest in the field of mechatronics and automation. We are pleased to learn that you will be attending to present your accepted paper at the conference. Acceptance of your paper for presentation does not, in any way, financially oblige IEEE ICMA 2023 for expenses incurred by you to travel and attend the conference.
If you have any question, please contact by E-mail the IEEE ICMA 2023 at icma@bit.edu.cn.

Sincerely

Shuxiang Guo
Organizing Committee Chair
